FREE 6 Hour LEAD SAFE WORK PRACTICES TRAINING

LEAD-BASED PAINT TRAINING PROGRAM FOR RENOVATORS & REMODELERS

UPCOMING 2007 TRAINING DATES

October 2nd & October 23rd

November 13th & November 27th

December 4th

This 6-hour course is designed to teach lead safe work practices to renovators, remodelers, painters, carpenters, homeowners, landlords and those who regularly disturb lead-based paint. The course provides information on containment, minimization and cleanup of lead hazards. This course is also designed for workers who perform paint film stabilization, interim controls, or standard treatments for federally assisted activities pursuant to 24 Code of Federal Regulations (CFR) Part 35. Completion of this course satisfies HUD requirements for interim controls training in federally assisted housing, it does not provide certification or licensing of lead inspectors, risk assessors, abatement workers or supervisors.

The Monroe County Department of Public Health is sponsoring this course. Space permitting, this class is open to the general public yet persons regulated by the MCDPH have priority registration. Course location: Rochester, New York. There is no charge for this training session but pre-registration is required.
